Roof Two Roof Hatches

A top-down view of a car interior, showing the front and rear seats. Eight child seats are installed, two in each row. The child seats are arranged in two rows of four, with the front row of four seats facing forward and the rear row of four seats facing backward. The car's interior is light-colored, and the seats are dark-colored. The car's exterior is also visible, showing the front and rear doors and the roof.

Front 2 Seats

Back 4 Seats
